

At page 2, line 19, please delete "a".

At page 2, line 22, please replace "therefore" with --thereby--.

At page 2, line 25, please replace "well-known" with --well known--.

At page 3, line 2, please delete "therefore".

At page 3, line 4, please delete "some way".

At page 3, line 5, please delete "presently".

At page 4, lines 11-13, please delete "It is desirable to provide an integrated circuit that utilizes at least two layers of transistors that offer competitive performance at lower costs.".

At page 4, lines 14-15, please replace "with a second level of transistors in the Z dimension made of a single crystal" with --that overcomes the disadvantages associated with conventional devices--.

At page 5, lines 1-10, please delete the BRIEF SUMMARY OF THE INVENTION and the description thereto.

At page 6, lines 9-10, please delete ", one above the other".

At page 6, line 14, please delete "the".

At page 8, after line 1, please insert the following paragraph:

--One embodiment relates a first substrate with a semiconductor film formed thereon. The semiconductor film is demarcated from the rest of the first substrate by a

1
note
damaged surface. Another embodiment relates to an integrated circuit with a second level of transistors in the Z dimension made of a single crystal.--

At page 8, line 6, please replace "well-known" with --well known--.

At page 8, line 20, please replace "The damaged" with --Damaged--.

At page 12, lines 1-2, please replace "One advantage of the process according to the present invention is that hydrogen annealing is" with --This allows hydrogen annealing to be--.

At page 12, line 22, after "causes bonding of", please delete "the".

At page 12, line 23, please replace "The carrier" with --Carrier--.

At page 13, line 1, after "After", please delete "the".

At page 13, line 7, please delete "a".

At page 13, line 8, please delete "a".

At page 13, line 11, after "Celsius at which", please delete "the".

At page 13, line 12, after "debonds from", please delete "the".

At page 13, line 17, please replace "well-known" with --well known--.

At page 13, line 19, please replace "At this stage the carrier 320 had" with --At this stage, the carrier 320 has--.

At page 14, line 12, after "At block 1210", please insert --,--.
